

Dear Parents

As already shared the assessment for Periodical Tests/Unit Tests will be conducted online from 27th August 2020 to 4th September 2020 through Microsoft Forms. You are requested to ensure the following at your end:

Uninterrupted Internet Connectivity throughout the exam time.

Ensure the child has logged in to Microsoft Teams with his own Microsoft Account (as given by School) which will be recorded with paper submission.

The link for the Test will require the child to login on the website <https://forms.microsoft.com/> with the same Microsoft Account (as given by School) again. Make sure the Userid and Password is kept handy.

Ensure that all previous logins by others on the website <https://forms.microsoft.com/> are signed out from the browser, since only the people from our organization Hansraj Model School are allowed to respond to the Exam link.

If two siblings are accessing from the same device, ensure the child appearing in the exam has logged in at the moment and the other child has logged out.

Ensure fair means to inculcate honesty and moral values in your child.

Seeking your cooperation for successful assessments.
