We hereby reiterate the guidelines for parents using private transport.

2. Sitting capacity should not increase the number of seats available in the cab.
3. Parents must ensure that the vehicle is not PNG operated.
4. It is advised that the parents carry out the police verification of the cab driver and check the road worthiness of the vehicle. Details of the vehicle and driver's license are to be provided to the school for school records.

We request you to ensure that your child wears the complete school uniform along with the I-Card to school every day. Parents must also ensure that they carry the parent I-Card to school for every visit, irrespective of the purpose. It is essential to ensure safety and security check for the visitors entering into the school premises. Your cooperation in this regard will go a long way in maintaining safety and security of students.

It may be mentioned that the school takes all necessary measures to ensure the safety and security of children in the campus and advises the parents to engage private operators cautiously after due scrutiny and security check of their antecedents.
